

AGILITY

What is Agility?

Agility is a dog sport in which the handler directs a dog through an obstacle course in a race for both time and accuracy. The dog runs off leash with no food or toys as incentives and the handler can touch neither the dog or the obstacles. Consequently, the handler's control is limited to voice, movement and various body signals, requiring exceptional training of both dog and handler.

Can myself and my dog do it?

As long as your dog is non reactive and has a good recall, then, Yes! Young or old, large or small you and your dog can participate in this exciting, fun activity!

Interested? You are invited to contact us to arrange a trial session.
