

## Help Required Please for our Annual Obedience Rally and Good Citizen Show.

We have had a Show for the last 4 years which have providing entertainment and experience outside of our normal class environment for our members. It has also raised money for charity.

Our original band of helpers have moved on. We cannot thank them all enough for their efforts.

**So, we urgently need a set of helpers willing to commit to giving part of the day for our show on Saturday 3<sup>rd</sup> October 2020. Otherwise it cannot run.**

It takes a lot of people to run a show I would like you to support your club by volunteering for an activity for a few hours during the day.

### New activities for 2020

A Bronze Good Citizens Test outside at the show. With the £3 option of practice under test conditions first.

One-hour slots in the “Have a Go” for anyone to try a new or fun activity.

If you would like to help please fill in the attached form and return it to me
